

PB STRAPPING

Strong Straps for Reliable Packaging

More than 50 years ago, Baumhüter began manufacturing industrial PP strapping materials. Still today, baumhueter extrusion GmbH manufactures high-quality polypropylene strapping, identified by the trademark **PB STRAPPING**, at our corporate headquarters in Rheda-Wiedenbrück / Germany. Made with state-of-the-art extrusion equipment, premium raw materials and know-how from many years' experience, **PB STRAPPING** fulfils strictest requirements.

PB STRAPPING

Straps made of Polypropylene (PP)

Product Range (other products also available)

PB STRAPPING

PB STRAPPING is available from stock with a wide selection and consistently high quality, allowing choice of the right product for your specific needs.

Technical Data

Width	5 to 16 mm
Thickness	0.4 to 1.2 mm
Roll core diameters	62, 150, 200, 280, 407 mm

PB STRAPPING is the reliable way to ensure efficient and secure packaging.

Typical Application Sectors

- Newspapers
- Mail-order houses
- Pharmaceuticals
- Corrugated cardboard products
- Publishers
- Newspaper / magazine wholesalers
- Paper manufacturing
- Construction materials
- Promotional materials
- Meat processors
- etc.

Advantages

- High strength
- High stiffness
- Low skew
- Minimum abrasion
- Outstanding weldability
- Precise winding
- Exact roll length

Strapping PP	Strap Width (mm)	Product No.	Colour	Tensile Strength (N)	Core Dimensions		Roll Length (m)	Packaging Units	
					I.D. (mm)	Width (mm)		Rolls/Box	Boxes/Pallet
